

(Raymond B. Churchill, Jr.)

(PATENT)

Applicant wishes to thank the Examiner for the telephone interview conducted between undersigned attorney for Applicant and the Examiner on April 12, 2006, in response to attorney for Applicant's prior telephone message to Examiner requesting clarification of an apparent inconsistent conclusion contained in the official action mailed March 16, 2006 concerning claims 12-16 and 29-32. During the interview, the Examiner confirmed that the apparent rejection of claims 12-16 and 29-32 was an inadvertent one. The Examiner has confirmed that the rejection of claims 12-16 and 29-32 is officially withdrawn from the Office Action. The Examiner also confirmed that the suggested allowability of the subject matter of claims 12-16 and 29-32 in the same Office Action is accurate and remains in the Office Action.

If, for any reason, the Examiner does not believe that the present interview summary is accurate, it is respectfully requested that he/she telephone applicant's attorney at (908) 654-5000.

If there are any charges in connection with this summary, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: April 13, 2006

Respectfully submitted,
